

Divide and Conquer Quilting

Supplies:

Basic Supplies – (bring what makes you comfortable to use your machine in addition to this list)

A machine in good working order capable of dropping the feed dogs

Free motion foot for your machine

A package of 70/10 or 80/12 needles

Self threading needle (not the machine needle, but rather the hand needles. Side threading needles are also awesome)

Small scissors you can get up close to your project surface with

#50 weight cotton thread (pre-wind 2-3 bobbins in the same thread) Choose contrasting colors to the fabrics you bring. (a poly or rayon thread is also great for these exercises too)

A washout marking pen

Chalk Marking tool

Several sheets of paper or a notebook

1 regular lead pencil, #2 is fine (mechanical pencils are great for this class)

Ruler (at least 12" – 3" x 18" is also great)

If you have template shapes you like (circles, hexies, curves) bring a few examples

Fabric and Batting:

At least three 16" Fabric and Batting Sandwiches

(Choose low loft batting for this starter class. Thin cotton battings are best to learn with)

Using 6 ½" squares **make an 18" nine patch block**. Sandwich with backing and batting and bring to class.

Optional: Bring an unquilted top you would like to discuss.

Optional items – Quilting gloves, extension table for your machine, Supreme Slider Free Motion slider, extra threads, examples of quilting you like. (I will have my machine quilting gloves available for sale in classes)
